RE: California Public Records Act Request Dated June 5, 2019

Dear Mr. Singyangwe:

My apologies for the delay and any inconvenience. The County of Kings ("County") hereby further responds to your request under the California Public Records Act dated June 5, 2019, for:

1. *The total number of sheriff's deputy use of force incidents, broken down by type of force used, between 2013-2018 (separated by year);*
2. *The total number of people that deputies used force against, between 2013-2018 (separated by year);*
3. *The total number of use of force complaints reported between 2013-2018 (separated by year);*
4. *The total number of use of force complaints sustained between 2013-2018 (separated by year);*
5. *The policy manual of the sheriff's department; and*
6. *The current union contract between the city and any sheriff's deputy/police officer unions.*

In regard to the portion of your request regarding the policy manual for the Kings County Sheriff's Office, the responsive records are attached to this letter. Please note that the records have been partially redacted to prevent disclosure of certain information which would constitute a risk to the safety of peace officers and informants who work with the County, or would constitute a risk to the security of the Kings County Jail.

In regard to the other portions of your request, the responsive records and information were previously provided to you in the response dated June 16, 2019.

If you have any questions, this office can be contacted at the address and phone number above, or by e-mail at Thomas.Lin@co.kings.ca.us.

Sincerely,

LEE BURDICK
Kings County Counsel
